Good morning,

FYI – See attached with comments from PPS that may be of interest, thank you to Cam and Dave for getting the info. Fundraiser is now at >\$175k

Some open source chatter suggests:

- truckers and supporters plan to block Parliament Hill until all the mandates are removed
- locals will be providing truckers with places to shower, feed them
- chatter about potential routes within Ontario and out of province will likely be posted here <https://www.facebook.com/Freedom-Convoy-2022-100286905896085/> [facebook.com] and on anti-public health order social media for each respective province, within networks that have held weekly protests
- the convoy post attached from Telegram is circulating on FB as well within Ontario networks
- provinces may be holding their own actions on Jan 23rd before starting a 'slow roll' to Ottawa

Thank you,
Kristen

Hi Kristen,

Fundraising in the 150k neighbourhood isn't totally outside of the norm. Cst. Leahy advises me that Norm Traversy and United We Roll still have active GoFundMes in the 140k-160k zone.

That said, the pace of fundraising to 150k in 48 hours is ***significantly*** outside of the norm. Likely indicative that the fundraiser is leveraging a pre-existing community, possibly even consolidating donations from two or more pre-existing fundraisers.

I'd say this amount is a little out of the ordinary right?

Truckers across Canada are organizing a "Convoy to End Mandates".

On January 23rd, they will begin a "slow roll", from as many border points as possible, to slow down major road transportation routes across the Country.

Truckers, and all others, are invited to join the convoy, to send a message to the Government, that forced vaccinations will not be tolerated. As of January 15th, Trudeau has mandated that all truckers crossing the border must be vaccinated.

Similar mandates are already causing problems in Health Care systems, air transportation, and other sectors. This latest action will create major supply problems for many products Canadians rely on.

The time has come to show Ottawa, and the Provinces, that we are not going to allow Government to continue to slowly squeeze Canadians into giving up their God-given - and Constitutionally protected - Rights and Freedoms. Contact one of the organizers to get more information and to find out how you can get involved.
